Dear KRI Teachers and Teacher Trainers,

Sat Nam. The EPS Culture & Ethics Committee needs a few minutes of your time.

In the past year, the Office of Ethics & Professional Standards & Conscious Conflict Resolution (EPS) has been working with a grassroots Culture & Ethics Committee. Our big focus is on education and how we can educate Teachers, Teacher Trainers and Students to maintain graceful and respectful relationships.

We've started with a Bill of Rights for Kundalini Yoga (as taught by Yogi Bhajan®) Students. We want to empower and support every part of our community. We believe to be a true Aquarian community we need to start with our core – Kundalini Yoga Students. You can find a working DRAFT of the Kundalini Yoga Student Bill of Rights <https://epsweb.org/news/> on the EPS website.

We want to make our Kundalini Yoga Student Bill of Rights clear and simple. Right now it is a DRAFT and we want to get your input before finalizing and getting approvals. Please take a few minutes and go to <https://epsweb.org/news/>. We ask that you read it and send your comments (you can do this on the webpage) by January 15, 2018, so we can review all the feedback and roll out the Kundalini Yoga Student Bill of Rights sometime in the Spring of 2018.

We will ask every Teacher and Teacher Trainer to make this available to every Student, by posting in Yoga Centers/Studios/Ashrams, posting on websites or even giving a copy to each student.

Thank you so much for your participation in this work.

In service,

Daya Singh Khalsa
